## The American Experience

Give your child the greatest chance for success by preparing him or her to study in America. Gain a tremendous advantage in college admissions and future success.

The American Experience with Professor Dave provides just that and more.

Students who are accepted to the American Experience program will:

- Study American Culture and Tradition with America's premier teachers and cultural experts.
- Live with an American family and experience American life.
- Short-term internship with an American professional. Earn letter of recommendation.
- Prepare for a future at an American college or University

*Prepare for success at an American University*

## The Experience:

Our two week program includes:

### American Cultural Immersion

Students will live in a comfortable home with an American family and practice American English.

### Cultural Experience

Students will visit American college campuses, explore American cultural treasures, and visit many American locations.

### English Instruction

Special lessons designed by TutorMonsters Instructors will work daily to improve, upgrade, and enhance spoken and written English.

### Professionally Escorted Travel

Students will be escorted and chaperoned by professional teachers, caretakers, and counselors every moment of their visit.

### Internship and Letter of Recommendation

Students will be given short internships with American professionals in the field of their choice, and have the opportunity to earn a letter of recommendation from a noted professional to include with their college applications.

### American Lifestyle Lessons

Students will have daily cultural lessons, designed by TutorMonster's Instructors, to help them prepare for life in college.

### Superior Test Preparation and Lessons

Tutormonsters is renowned for its superior test preparation for the SAT and the ACT. Students will have daily lessons to help them score their highest on these important college entrance exams. Students will study with Professor Dave, author of the "Owner's Manual" series of SAT and ACT textbooks.

### Safety and Security

Tutormonsters ensures the safety and comfort of its students by providing professionals along every step of the way we provide medical insurance for visiting students, and Mandarin speakers are available at all times for communication with parents at home.

## Two Week Program Includes:

- All transportation in the United States including pickup and drop-off at airports.
- Housing with an American family in New York City or its nearby prosperous suburb, Long Island
- Cultural lessons
- English Reading/Writing/Comprehension
- English improvement and lessons
- Professionally conducted visits to and tours of at least 3 college campuses: New York University, Columbia University (Ivy League), Princeton University (Ivy League), Yale University (Ivy League), MIT, Harvard University (Ivy League)
- Internship and familiarization with an American professional in a field of interest for the students (business, medical, legal). Students earn a letter of recommendation to include in their college applications.
- SAT and/or ACT Test familiarization and expert preparation.
- College application advice and instruction.
- Food and beverage throughout the visit.
- Cultural visits to New York and the surrounding areas main features, including the World Trade Center and Empire State Building.
- Visit to local schools, including spending full school days with American students as they study.
